Chairman's Message

Chairman's Message

Chairman's Message

On behalf of the employees and management, I am greatly honored to submit Bank Keshavarzi's Annual Report to present an accurate reflection of the overall banking operations and essential activities performed successfully by the bank for the year ended on March 20, 2018

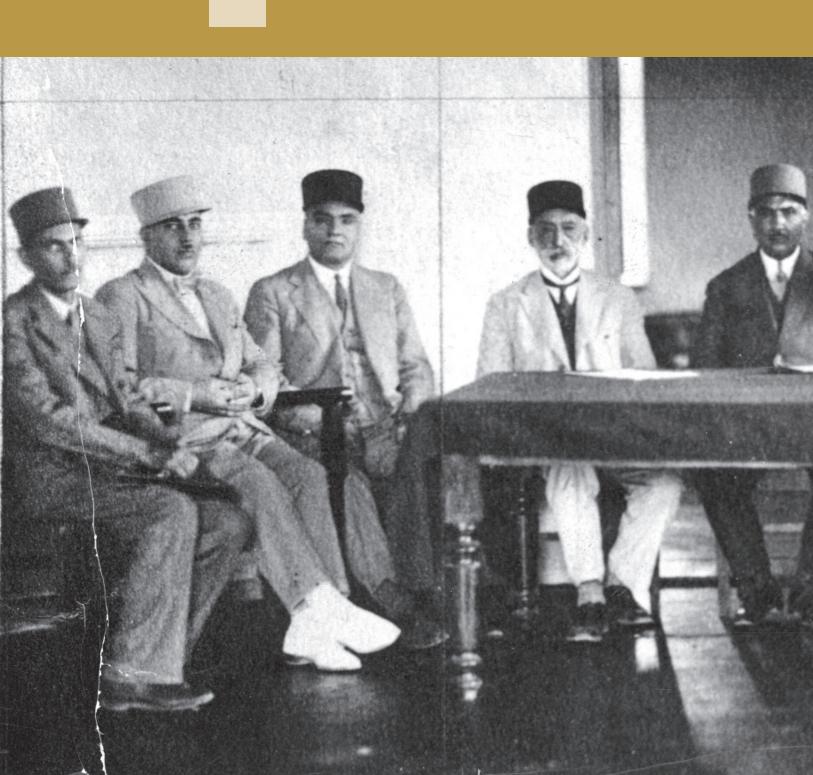

Within the report year, our deposit objectives were achieved and even exceeded the set target amount, consequently resulting in double increase of granted facilities balance as compared with that of 2016/17. Significant increase in the bank's basic capital and the balance between the resources and uses are other examples of the bank's successful performance, which made the bank stand out among the other main Iranian banks. Relying on such achievements, we will definitely make more fulfillments and accomplishments in the upcoming years.

To pursue our progress, we have developed special strategies, based on which, and inspired by the national policies and macro programs, the bank's annual plan has been crafted. Accordingly, respectful treatment towards our customers, accompanied with passion and cheerful disposition, will be the key elements of the bank's programs. Improvement of the bank's services and providing farmers and agricultural producers with more wide-ranging support will be other factors to be considered in the bank's programs.

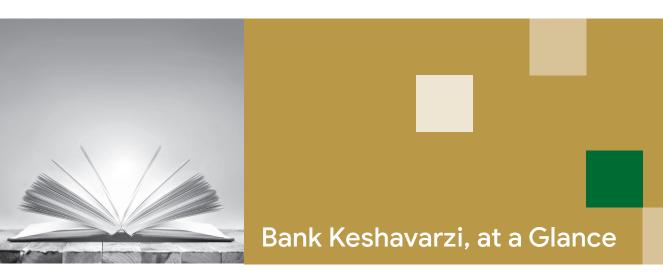

I am quite certain that, with the guidance and patronage received from the Almighty God and backed up with solidarity, good performance, dedication and sincere efforts of all our employees, we will witness more achievements for Bank Keshavarzi in the upcoming year and we will be successful in realizing the bank's programs, implementing the government's priorities, offering benefits to the people and improving our customers' satisfaction.

Operational Performance

Study of the bank's performance in resources mobilization by March 20, 2018 (end of the Persian fiscal year) indicates a 38.3 percent growth in the total deposits as compared with that of the year before. The breakdown of deposits in table 4 displays that such a growth mainly resulted from increase in long-term investment deposits and different types of certificates of deposits, while short-term investment deposits faced a 29 percent decline. Within the report year, making the best use of communication and information technologies, human resources' skills, diversity in banking services and products, hard-working employees with organizational commitment and optimal management, Bank Keshavarzi has been successful in resources mobilization as compared with the bank's performance in the preceding year.

The study of deposits shares out of total deposits by the end of 2017/18 indicates that cheap deposits (including sight, savings and short-term ones) consist 39.5 percent of the total deposits. In 2017/18, long-term deposits and certificates of deposits consisted 55.3 percent of the total deposits.

Contribution to Agriculture Sector

Agricultural development and self-sufficiency have always been placed at the top of the government's policies and it is believed that the agriculture should be the main axis of economic activities. Accordingly, Bank Keshavarzi, as the only specialized and agricultural bank of the country, managed to raise required funds to meet the customers' financial and credit needs. In 2017/18, the bank successfully facilitated the growth of GDP and enrichment of the agriculture sector through creating mobility in the sector by granting more credit facilities to individuals and businesses. Within the report year, the bank provided different agriculture subsectors with Rls. 388,356 billion of credit facilities, indicating a 16.3 percent growth, as compared with that of the previous year.

By the end of 2017/18, BK's total assets rose from Rls. 769,732 billion in 2016/17 to Rls. 961,340 billion,4 showing a 24.89 percent growth.

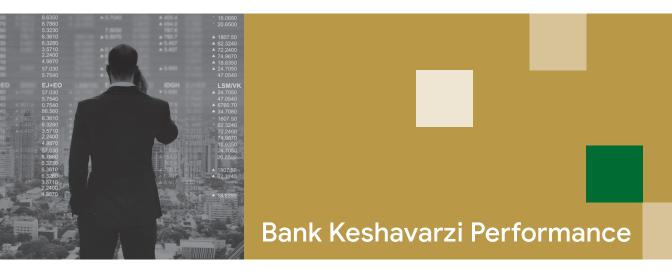

Shareholders' Equity

Shareholders' equity of the bank, with a 32.88 percent rise, amounted to Rls. 45,495 billion by the end of 2017/18 from Rls. 34,238 billion in the preceding year.

^{3.} All comparative figures in financial statements have been restated to present a true and fair view of the bank's financial status. Thus, there may be cases of mismatch with figures presented in the preceding year annual report (2016/17). 4. Rial amounts can be converted to USD at CBI reference rate (http://cbi.ir/ExRates/rates_en.aspx) on the last day of Iranian fiscal year (March 20, 2017).

Total Liabilities

BK's liabilities increased by 24.52 percent from Rls. 735,494 billion in 2016/17 to Rls. 915,845 billion by the end of 2017/18.

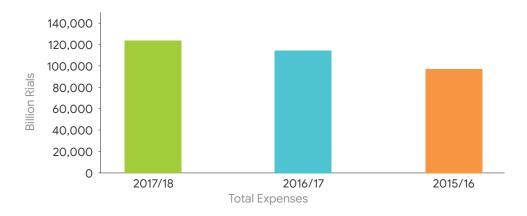

Total Income

BK's total income grew from Rls. 105,359 billion in 2016/17 to Rls. 108,793 billion in 2017/18, indicating a 3.26 percent growth.

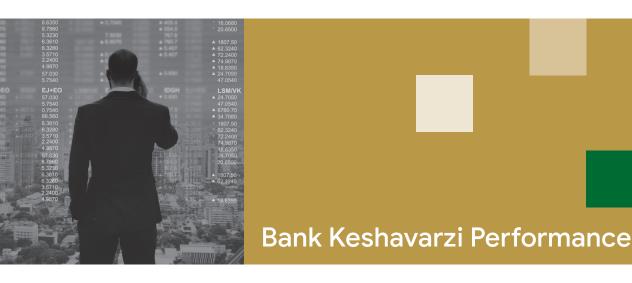

Total Expenses

BK's total expenses rose by 10.67 percent increasing from Rls. 113,418 billion in 2016/17 to Rls. 122,014 billion in 2017/18.

As regards the above-mentioned improvements, the key ratios represent BK's financial health and strength. The Return on Investment ratio (1.12 percent) does display higher efficiency in utilizing resources and assets. Moreover, the 4.73 percent Equity to Assets ratio demonstrates a steady and sound structure in the financial statements of the bank.

E-banking

In recent years, the accelerated growth of information technology and development of communication network have opened a new horizon before financial markets and sectors. The emergence of new channels and methods of processing and data transfer as well as establishing great information bases have promoted the efficiency and productivity, facilitated communication and reduced operational costs in financial institutions, and as a major cause of gaining superiority in the arena of competitive and financial markets has evolved the overview of financial sector. Thus, a strategic focus on electronic banking is not only a choice but also a necessity, which leads to a distinction in the quality of banking services, in addition to reducing operational costs.

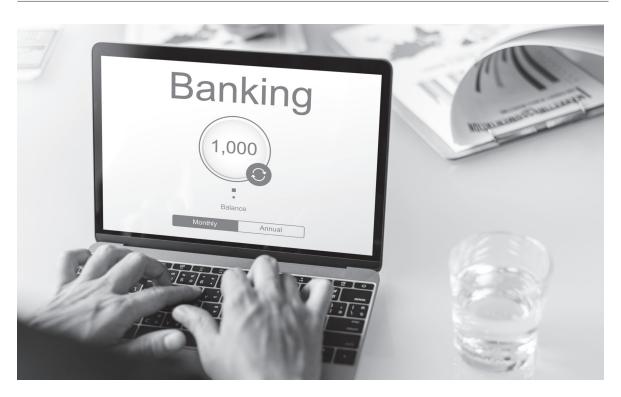

Accordingly, BK, by taking the lead, did make a grand revolution in the banking system and has run an integrated core banking (Mehr Gostar), in which the overall operations of depositing (checking, savings, time deposits,...), branch accounts (debits, credits, etc.), securities (partnership bonds, etc.) clearing, money orders, credit facilities, and the like are performed in branches.

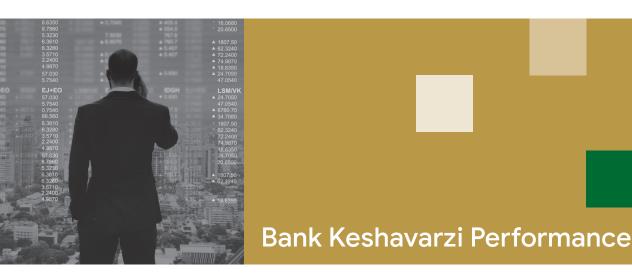

Managing the above operations, the system has the ability to manage Customer Information System (CIS), parameters, lodger, liquidity, FOREX markets, documentary credits, ATMs channels, POSs, Pinpads, SMS banking, etc.

The system includes variety of functions and specifications, few of which are: Banking transactions 24/7 through communications channels such as internet, telephone banking, mobile phone banking, etc.); Foreign currency services in all FX branches; Internet banking; Telephone banking and Mobile Phone banking.

Annual Report 2017 - 2018

Excerpt of Auditors' Report

Independent Auditors' Report to the General Assembly of Banks and BK's Shareholders: Bank Keshavarzi financial statements, including Balance Sheet as at 20 March 2018, Investment Deposits Statement, Cash Flow Statement, Income statement, Comprehensive Income Statement, Statement of Changes in Shareholders' Equity and Explanatory Notes for the fiscal year ending on the afore-said date, have been audited by State Audit Organization (SAO).

Board of Directors' Responsibility

Subject to the accounting standards set out therein, the bank's Board of Directors shall be responsible for preparation, fair presentation and the design, implementation and maintenance of internal controls relevant to the financial statements so that they would be free of any material misstatements, whether due to fraud or errors.

Auditors' Responsibility

Our responsibility is to audit the financial statements in accordance with applicable laws and auditing standards. We, the auditors, shall also be responsible to express an independent opinion on the afore-said financial statements based on the performed audit and to report cases of non-compliance with the legal requirements of the Amended Commercial Code, Banking and Monetary laws, Usury-free Banking Operations Law and the Banks' Articles of Association.

We hereby report our opinion as to whether the financial statements provide a true and fair view and whether the financial statements have been properly prepared in accordance with the above-mentioned legal references. In addition, we report if, in our opinion, the bank does not keep proper accounting records, if we are not provided with all information we require to conduct the audit, or in case the information regarding any transaction is not disclosed.

We planned and performed our audit to obtain all the information and explanations, which we consider necessary in order to provide us with sufficient evidences to give reasonable assurance that the financial statements to be audited are free from any significant distortion,

material misstatement, irregularity or error. The audit included random checks of evidences and documents supporting the figures in the financial statements. It also encompassed evaluation of accounting policies and conventions used, assessments made by the board of directors and inspection of the overall accounts presented. SAO believes that the performed audit produced a reasonable base of opinion on the financial statements. In forming our opinion, we also evaluated the overall adequacy of the presentation of information in the financial statements.

In our opinion:

- The report does not contain any material misstatement that would render the financials misleading.
- The Financial Statements fairly present in all material respects the financial condition and results of operations, in accordance with the Amended Commercial Code, Banking and Monetary laws, Usury-free Banking Operations Law and the Banks' Articles of Association.
- The financial statements have been properly prepared in accordance with the abovementioned laws, regulation and standards.
- We have examined the Board of Directors' report, prepared for presentation to the General Assembly. In the course of audit, we have not noticed any material difference between the content of said report and the documents provided by the Board of Directors.
- The report on compliance of BK's operations with approved budget for the year ending March 19, 2016 has been audited and examined by SAO. No significant discrepancy has been detected regarding the compliance of the Board of Directors' Report with the approved budget and the presented financial records.
- We have not found any evidence for non-compliance of the transactions with prevailing business procedures in operations of the Bank.
- Bank Keshavarzi AML program has been found to be in compliance with the national and international AML laws, regulations and standards.

The assistance provided by BK's employees and management during the conduct of our audit is highly appreciated.
